## Childcare Vouchers and Tax Free Childcare payments

Bidbury Bears wraparound care is classed as a childcare provider and is registered with a number of childcare voucher companies as well as the Government scheme for Tax Free Childcare.

We are happy to register with any childcare providers that are not included in the list below, so please do get in contact if you need us to sign-up in order that you can make payments through your scheme. Providers we are currently registered with:

- Bravo Benefits (previously, Busy Bees)
- Edenred (Acc no: P21312311)
- Fideliti
- Sodexo (ID no: 913016)
- Computershare Voucher Service

For Government Tax free Childcare:

- Registered provider reference (URN) is:116084

*Please note:* when you make a payment using your tax-free account the money goes directly to Hampshire County Council and the school has to claim that money back into our account. This means there can be a couple of week's delay between you making a payment and us getting the money to clear your balance owing.

Breakfast Club and After School Club are staffed according to the number of children that have booked on to use the wraparound care – this allows us to stay within recommended pupil to staff ratios. For this reason we require non-voucher paying parents to book 24 hours in advance. You will not be able to make your own bookings as your money will not go into the 'checkout' on SCOPAY, therefore, you must book the sessions you need by emailing the exact dates and session length and confirming that you plan to pay by voucher or tax free childcare. We can then enter these sessions into the register.

We will need to know your Childcare Reference and Childcare account number if you are using Tax Free Childcare as your payment method. Please make sure to include these on your booking email or we cannot claim your money or secure your space.

If you have any queries please come in to the School Office and we'll be happy to help!
