11 March 2024

Dear parents and carers,

Further to our recent letter regarding the proposal to change the length of our school day, we can now confirm the consultation has been completed.

From 1 September 2024 our school hours will change to:

New School Hours – September 2024
8:40am Gates Open
8:45am - Classroom Doors Close (Recorded Late after this time)
3:15pm – School Ends

This change is in line with the Government recommendation that all schools should open for 32.5 hours per week from September 2024.

Please be assured that childcare provision before and after school will be adapted to fit around the new school day.

Yours sincerely,

Mrs Julie Cook
Headteacher

Bidbury Infant School Governing Body
